

Step inside the DeLorean and let The Reflex's full-on retro concert experience take you on an excellent time travel adventure to the best decade of our lives, the 1980's! The Reflex will rewind the clock and take you "back in time" by recreating the sounds, looks, and intensity of the best songs the 80's has to offer. They keep the party going by mirroring such artists as Madonna, Cyndi Lauper, Bon Jovi, Pat Benatar, Billy Idol, Bryan Adams, Journey, Heart, and many, many, more!

Since the year 2000, The Reflex has been bringing their exceptionally high energy show to venues up and down the East Coast. From headlining 4,000 - 5,000 person festivals to radio station events or private parties, The Reflex consistently keeps the high energy flowing and the fun going! The Reflex also continually plays at their usual clubs across the region monthly.

So dust off your Jordache jeans, tighten up that fanny pack, throw on your Members-only jacket, slip into some Vans, and prepare yourself for the sounds of The Reflex: The DMV's Ultimate 80s Tribute Band.
